

VOLUNTEERS NEEDED FOR CALVARY ADOPT-A-GRAD PROGRAM

Please complete the form on this page and drop it off at the church office, if you would like to volunteer for the Adopt-Grad program at Calvary Church. This program provides a link to our college students away from home. Monthly contact keeps the students up-to-date on church events, information about the community, your family, or just lets them know someone is thinking about them. That is all the program requires. Contact can be through email, postcards, letters, greeting cards, etc.

**PLEASE NOTE: Adopt-A-Grad is not a pen pal program. The volunteers from the congregation appreciate that college students are busy. Due to some past incidents of email and postal mail being returned "undeliverable", it is being requested that the students contact their volunteer at least one time to let them know their email or other manner of contact was received. Then, we can be assured that contact information is correct and current.*

Please contact Patti Lightner with any questions or concerns at 657-1792 or email myfaithandbelief@verizon.net. Thank you.

ADOPT-A-GRAD VOLUNTEER 2010-2011

Your Name _____

_____ I would like to keep in contact with the same student.

_____ I would like to keep in contact with a different student.
