

## COLLEGE STUDENTS INFORMATION FOR CALVARY ADOPT-A-GRAD PROGRAM

The form on this page can be used by college students who wish to participate in the Adopt-a-Grad program. Please complete and return it to the church office as soon as you know your college email and street mail address. If your contact information will be the same as last year, all you need do is check "Information is the Same" on the form and return it to the church office.

*\*PLEASE NOTE: Adopt-A-Grad is not a pen pal program. The volunteers from the congregation appreciate that college students are busy. Due to some past incidents of email and postal mail being returned "undeliverable", it is requested that you contact your volunteer at least one time to let them know you received their mail. Then, we can be assured that contact information is correct and current.*

Please contact Patti Lightner with any questions or concerns at 657-1792 or email [myfaithandbelief@verizon.net](mailto:myfaithandbelief@verizon.net). Thank you.
